

Lorraine on the left, her cousin Prudence on the right.

Lorraine has completed a one year course in sewing, and is in her first year at Bulawayo university studying Social Work. We are part sponsoring her.

Prudence has a diploma in Human Resources. Lingani, the mother of Lorraine, fosters Prudence. They thank us for sponsoring them.

Sponsorship for education-

To sponsor a child at Primary school costs £70 per year, to sponsor a young person for college for 2 years is £900 per year including hostel fees. Standing Orders of whatever you can afford will help these children and young people, we are most grateful.

Cataract Operations

Message from Fr. Tim Peacock in November 2022 - Four blind men that we took for a cataract operation. We go about 3 times a year,

Builders unloading building material from the new truck from Bulawayo, for the new Secondary school at Dambwamukulu.

Children and Families in Need in Zimbabwe -

known as CFNZ, is a UK charity, based in Anglesey We welcome support of any kind, and your prayers please. CFNZ became a registered charity in May 2014.

Apart from bank and postage charges, all of the money raised goes to Fr. Tim for his work with the poor in rural areas of Zimbabwe.

A triple classroom block, Dambwamukulu Secondary School

Fr Tim helps children and the poor with the needs they have. He has, over the years, sourced funding for the construction of several primary and secondary schools, over 20 dams and a new hospital. Although he constructs these buildings with his own builders the local people help with their free labour. He is always looking for financial help for these needy projects.

CFNZ supplies funds for :

Education and training; the advancement of health and relief of poverty; religious activities; community development including building, and employment, for all ages, within the general public.

In October 2023, 39 vulnerable children and two college students received an education, accommodation and food; 4 people on average are taken to hospital or clinics every week; 35 needy families received food aid. Fuel, food, an egg and sewing project and domestic wages for 14 adults, make up the rest of the budget.

Fr Tim Peacock, a secular Roman Catholic priest lives in Makwa and has 24 Out-centres. He was born in the UK, went to a seminary in Ireland, moving to Zimbabwe in 1985. There were 30 Christians in one centre, Makwa then, now there are about 300.

Children enjoying the eggs from our project. There are 50 layers at the Mission, so eggs are being sold too.

Hardness and Mercy enjoying the sewing project, making school uniforms.

Tim's twin sister Sue Jennings, the lead trustee, sends out his newsletter twice a year, by post or email. See 'Contact' page.

There are 4 Trustees, all are volunteers. We meet by zoom every 4 months to approve Tim's proposed budget and discuss fundraising, publicity, sponsorship and Tim's UK visits. Also once in alternate years we try to meet up together with Tim when he is in the UK.

Thank you for your generous financial support and prayers.
